Resident Family:

The City of Frontenac is notifying surrounding residents of upcoming road closures of Geyer Road necessary for the Oak Valley/Hickory Stormwater Improvement Project.

Geyer Road will be completely closed Southbound at High Meadow Road and Northbound at Hickory Lane. Access to Hickory will remain open from the South and access to High Meadow will remain open from the North. A map is on the reverse side.

The project is scheduled to begin on Monday, January 25th, 2010 at 7:00 AM and should take approximately one week to complete.

Weather will play an important role in the completion; our intention is to open the road as soon as possible.

Thank you for your cooperation and understanding. If you have any questions or concerns regarding the project, please contact me at 314.994.0646 or Shari Cooper at 314.373.6500.

Thank you,

Jeff Wappelhorst
